Mentor

# About NTPC School of Business

NTPC Limited, a Maharatna company of Government of India is India's largest energy conglomerate with an installed capacity of more than 70,884 MW. Recognizing the fact that human capital is the key value differentiator for the success of any economic and business activity, NTPC Limited formed "NTPC Education and Research Society" – NEARS with the aim to nurture human capital for the entire energy sector. Under the aegis of NEARS, NSB was set up in the year 2014. Currently, two AICTE approved courses are being taught- the two years Post Graduate Diploma in Management- Energy Management (PGDM-EM) and the eighteen months Post Graduate Diploma in Management- Executive (PGDM-E). NTPC School of Business also has an academic collaboration with IIM-Ahmedabad in its establishment, wherein many faculties from IIM-Ahmedabad frequent the campus, thus enriching the exposure that students get.

## About PGDM (EM)

The programme is first of its kind in India, dealing with techno-managerial aspects of energy business. It imparts topically and temporally relevant management centred knowledge and skills relevant for the energy sector. This includes a special emphasis, for instance on business models, market instruments, institutional mechanisms and energy transitions at the regional, national and global levels. Field trips, frequent interactions with academic and industry leaders in the energy domain and internship enrich the learning experience.

## Faculty

Faculty at NSB comes with substantial academic, research and industry experience. NSB's pedagogy emphasizes a case study and analysis based approach that adds value to lectures, group assignments, discussions, live research projects and management games. In addition to the core courses, a large number of elective options are also provided to students to develop their expertise in a particular domain.

## Infrastructure

State-of-the-art infrastructure at the school consists of computer labs, seminar halls and well equipped lecture rooms. NSB also has a well endowed library that enables access to a wide variety of international journals, electronic databases and project reports.

## Extracurricular Activities

NSB has several clubs and committees for students' holistic development. These are Art and Culture Club (Ojas) Entrepreneurship & innovation Club, Sustainability Club, Sports & Adventure club, Art and Culture Club, Social Service Club and Knowledge Management Club. Students also organise 'Vyaakhya', an interactive guest lecture series that interfaces with leaders in the energy management sector.

## Placement

As a part of the programme, students are assisted for Summer Internship Projects and Job placement.

## Eligibility Criteria

- ☞ The candidates must have a minimum of 3 years Bachelor's degree, like BBA / B.E. / B.Tech / B.Sc / B.Com/CA/ICWA etc., or any other equivalent degree, with at least 50% marks or CGPA from a UGC/AICTE approved institute/University.
