About

K.R. Mangalam University

K.R. Mangalam University is fast emerging as one of the top private universities in India. KRMU's lush green campus, world class infrastructure and innovative and inclusive learning environment provide a unique value proposition in the Indian higher education space.

Our goal at KRMU is to create a safe ecosystem where students' lives can be transformed through knowledge generation and sharing, entrepreneurship and creativity. Our qualified and experienced faculties from some of the best institutions in the world can help students achieve their full potential and become professionally and socially responsible individuals.

Message From the Chairman

"Education breeds confidence. Confidence breeds hope. Hope breeds peace."

Education is the only way to tend to our desire for freedom, to break the shackles that stop us from conquering greatness in a way that paves the path for innovation. K.R. Mangalam University is an experiment to make that path for generations to come. We are building this institution to provide a holistic environment for aspiring scholars, academicians and society to pursue their dreams; we are building a complete world of education. The joyful learning environment here helps scholars to find their purpose and walk on their destination to success.

Learning is a lifelong process and for this, we also work with young minds to help them move onto higher education with more agility and confidence. We connect with top industries, fellow education institutions and community, national and international organizations to create a resource ecosystem. Our faculty majorly focuses on creating an industry-relevant curriculum. With the belief in learning beyond the classroom, we provide ample opportunities to help young minds indulge in extra-curricular activities. We hope to keep going upward and to make the mission of developing young minds to achieve brilliance a success.

Yash Dev Gupta
Chairman

Message From the Chancellor

The only thing that's constant in this world is change. Everyone goes through making mistakes, acknowledging the fact and then putting in the effort to bring that change; this is precisely what K.R. Mangalam strives for. We are aligning our vision with the nation's objective to bring change in the education sector. Founded with the concept of providing a complete world of education to help scholars achieve their destination to success, we emphasise on more substantial areas such as entrepreneurship, teaching, learning, extra-curricular activities, and leadership.

I am delighted to receive this golden opportunity to support the mission as the Chancellor. Therefore, I invite you to join hands towards this cause and work together to make sure that when our younger generation arrives, they get ample opportunities to achieve success.

International Collaboration

International collaboration is extremely beneficial, and KRMU strives to increase internationalization to collaborate with renowned universities to prepare students to be more eligible to emerge victorious in the current competitive environment. We have tied hands with a few of the best educational institutions around the globe, including- Middlesex University, the University of Melbourne, Nanyang Technological University, University of Florida, etc.

TIENS

Industry Partners & Collaboration

Industry-academic collaboration is a key to catalyze growth and innovation. While industry brings technology and commercialization, academia is responsible for resources to research and knowledge to impart it with students to indulge in new breakthroughs. Currently, the industry demand professionals with experience and as a top educational institution, we aim to bridge the gap. Over time we have collaborated with numerous industries such as IBM, Siemens, NSE, Samatrix, and more to offer industry insights and prepare students to be career-oriented and industry-ready by pursuing courses relevant to current and emerging trends.

Placement & Recruiters

Campus placement and recruiters are two main points that attract students to any educational institution. In an atmosphere where competition is at par, we ensure that every student of K.R. Mangalam University gets placed. Our placement committee, along with mentors, identifies the potential of each scholar and hone their skills to prepare them for the cutting-edge challenge they're ought to face. We have teamed up with fortune 500 companies and giants such as Amazon, Apple, BookMyForex, Indiabulls, Outlook, Vostro, Genpact, HCL, and more.

Hostel

Choosing a university is equivalent to choosing your second home, especially if you have to opt for a hostel. The feeling of homesickness is persistent and so it hinders the goal. To help you feel comfortable and focused, we strive to provide a congenial and homely atmosphere at our on-campus housing facility for boys and girls. Our hostel is encompassed with modern amenities such as a central HVAC facility, common room for relaxation and get-together, 24x7 Wi-Fi facility, fully-equipped gym and a mess serving hygienic, fresh and homely food.

Sports

At K.R. Mangalam University, we focus on the 360-degree development of our students and this includes sports activities. The university has emphasized sports since its inception. State-of-the-art outdoor and indoor sports facilities on-campus provides you with a get-away from monotony without breaking your need to be productive. With the availability of a football field, cricket pitch, and badminton court, you can indulge in sports with your friends at any given time; our indoor gaming facility includes table tennis, pool, chess, and other fun games. The gymnasium is also available 24x7 if you're a fitness enthusiast.
