- **P - Promoting Efficiency in Operations**
- **I - Igniting Progressive Innovation**
- **R - Resilient Adaptability**
- **E - Embracing Worldwide Collaboration**
- **D – Diversity and Inclusion**

From the Chairman's Desk

As you stand on the brinks of the next phase in your journey, I welcome you to step into a bright future with Indian Institute of Management (IIM), Mumbai.

An institution renowned for its excellence, we have pioneered world-class education for 60 years (formerly as NITIE and now as IIM Mumbai) and are proud to celebrate our Diamond Jubilee of furthering growth, innovation, and nation building.

At IIM Mumbai, we have taken it upon ourselves to nurture hopes, dreams, and talents of the best and brightest young minds, from across the country. We look ahead to being the wind beneath your wings, as you soar to achieve new levels of excellence and leadership. Over the years, our alumni have continued to broaden business and entrepreneurial horizons, propelling leading organizations in India and all over the world, to great success.

In an increasingly complex and dynamic landscape, we equip you with skills to be agile, flexible, and think creatively. Our course content deliberates on relevant, real-world business challenges, and we constantly evolve to be ahead of the curve and keep up with global trends. With a razor-sharp focus on academic and research excellence, backed by strong industry collaborations, we impart learning that enables you to create immediate value and impact for your diverse organizations.

As a student of IIM Mumbai, you will gain from the insights and perspectives of highly qualified and recognized faculty members who teach all our management programmes. Sectoral expertise, people proficiencies, overall skill development, our comprehensive courses cover them all. They are regularly revised to align with transformative developments and rising expectations of global business.

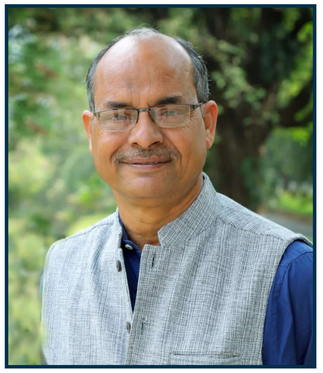
Committed to delivering the curriculum effectively, we don't stop there. We strive to groom you into inclusive, resilient, and powerful leaders of tomorrow.

Your two years here at IIM Mumbai, will be ideal to help you build business acumen, discover your brilliance, dream big, and chart your path ahead, with confidence and courage.

My best wishes to you, for a wonderful career.

Shri. Shashi Kiran Shetty
Chairman, BoG
IIM Mumbai

From the Director's Desk



Over the last 60 years, IIM Mumbai has been a pioneer in delivering excellence in the field of Management. It has been the thought leader in management education & research, and partner in the manufacturing renaissance of the Nation. The vision and mission of IIM Mumbai is dedicated to help Indian businesses to make their presence felt globally. IIM Mumbai has decided to act as a driving force in all dynamic sectors of the Indian economy.

IIM Mumbai is designated as the nodal hub for capacity building in Logistics and Supply chain Management to promote the PM Gati Shakti National Master plan by the Ministry of Education (MoE). It has aligned its vision and activities in line with the current and future needs of the Indian economy. We have the best-in-class labs for research and a conducive environment that promotes creativity which is what defines this institution.

Technology and sustainability walk hand in hand. The students not only become world class professionals but also better human beings. With resilience becoming the new normal in today's world, industries are heavily relying on top notch management techniques not just to improve productivity but also to generate best practices that would equip companies to deal with competition. Since its inception, IIM Mumbai has always been the forerunner in supporting many industries in solving their complex problems through industry outreach activity.

Our MBA programme has been catering to the changing industry needs and dynamics. Along with general management, operations and supply chain management and ESG and climate change are integral for Indian businesses, as they offer a strategic framework to navigate evolving regulations, seize market opportunities, and secure long-term viability in a world increasingly focused on social responsibility. The placement figures over the years are a live testimony to the trust that the industry has on us.

IIM Mumbai also welcomes the G-20 declaration on One Earth, One Family, One Future. IIM Mumbai is committed to diversity and Inclusion in all our activities and have been integrating these principles in our academic as well as in our campus life. We extend our expertise to support our government to align with the vision of "Atmanirbhar Bharat" - Self reliant India to empower our Nation. Every year, young graduates with big dreams to scale great heights enter this prestigious institution and step out with flying colours into the corporate world as game changers. Packed with confidence and great ambitions, they bid farewell to IIM Mumbai carrying along with them some beautiful memories that they would cherish for a lifetime. We extend a warm welcome to all the aspiring students to come join us at our god's own campus and relish two years of enriching experience.

Dr. Manoj Kumar Tiwari
Director
IIM Mumbai

Milestones

1963

IIM Mumbai
NITIE celebrates Diamond Jubilee.
NITIE becomes 21st IIM in the country
Renamed to **IIM Mumbai**

Programmes Offered

Master of Business Administration (MBA) Two-Year, Full Time	The design of the MBA programme is centered around arming students with the vital skills and competencies required to secure influential global leadership roles. This program is founded on the belief that exceptional business leaders emerge from immersive, hands-on, and accessible learning settings, rather than from standardized approaches.
Master of Business Administration - Operations and Supply Chain Management (MBA-OSCM) Two-Year, Full Time	IIM Mumbai's flagship two-year program, the MBA in Operations and Supply Chain Management is tailored to meet the techno-managerial requirements of industries. This program focusses on creating transformative operations and supply chain leaders through imparting next-generation strategies for making organizations more agile and responsive. The program offers a comprehensive understanding of domains- Supply Chain, Operations, Manufacturing, Project Management, Economics, Strategy, Finance etc.
Master of Business Administration - Sustainability Management (MBA-SM) Two-Year, Full Time	The MBA in Sustainability Management prepares prospective managers with the knowledge and skills needed to navigate the complexities of guiding businesses toward Sustainable Development. This program imparts a comprehensive understanding and expertise in various sustainability issues and safety challenges, equipping students with the management tools to develop solutions for these pressing concerns.
Doctoral Programme (Ph.D.) Five-Year, Full Time	The Doctoral Programme is designed to nurture exceptional scholars who delve into the nuanced field of management from a perspective that goes beyond the obvious. This program is dedicated to preparing individuals who will distinguish themselves in their specific research areas by producing high-quality work that meets international standards.
Visionary Leadership For Manufacturing (PGPEx-VLFM) One-Year, Full Time	Comprehensive one-year full-time residential executive diploma programme conducted collaboratively by IIM Mumbai and IIT Delhi. Its primary aim is to prepare the rising leaders for mid and senior-level managerial roles. Graduates of this program are expected to be catalysts of change, possessing the capacity to drive strategic initiatives across various domains, including Operations and Supply Chain Management, Strategic Planning, Business Excellence, and World-Class Manufacturing.

Master of Business Administration (MBA)

MBA programme at IIM Mumbai, offers a distinctive blend of management expertise complemented by a strong technical foundation. Beyond classroom instruction, we provide students with a rich array of learning opportunities, including live case studies, competitive events, seminars, group discussions, and panel sessions featuring industry leaders. Our commitment extends beyond academics to instilling enduring values and principles that will guide our students throughout their lives, nurturing them into responsible global citizens. The MBA programme shapes multi-talented individuals with a specialized focus on navigating the complexities of the interconnected global economy. Since 1994, this programme has consistently produced exceptional managers, and we remain dedicated to this mission.

Prof. Utpal Chattopadhyay
Programme Chair, MBA

About the MBA Programme

India boasts a rich legacy of professional management education, and IIM Mumbai, formerly NITIE, stands as a pioneer with a long-standing history of offering a two-year full-time programme. Our MBA programme is designed to nurture young managers who excel not only in designing efficient processes and systems but also in effectively managing critical resources for achieving business goals. What sets this programme apart is the remarkable alumni network, extensive collaborations, and impactful sponsored research initiatives that make it truly exceptional in the country.

Our MBA programme combines classroom learning with immersive industry internships and integrates various microcredit courses to enhance industry relevance. With a strong emphasis on analytics and related areas to align with industry demands, this programme also places great importance on developing interpersonal skills, equipping students to effectively manage both customers and team members. Structured as a comprehensive general management programme, our MBA programme takes a holistic approach to business education, distinguishing it from other management programmes available today. The MBA programme offers a rigorous and professional educational experience within a collaborative learning environment. The curriculum is thoughtfully designed with input from our esteemed faculty, recruiters, alumni, and students. Our dynamic and high-energy learning environment prioritizes the practical application of skills in complex real-world business scenarios, fostering an atmosphere of innovation and empowering students to emerge as effective leaders with the potential to transform organizations.

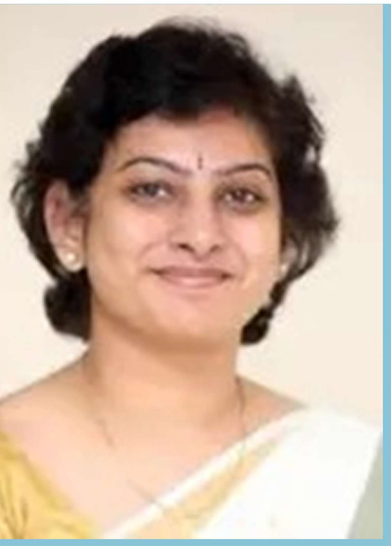
Capstone Project

Master of Business Administration-Operations and Supply Chain Management (MBA-OSCM)



The effective management of operations and supply chains is paramount for a company's success in today's dynamic business landscape. It plays a pivotal role in ensuring efficiency, cost-effectiveness, and customer satisfaction. An innovative, agile and lean approach to operations and supply chain management can significantly enhance a company's competitiveness and resilience in the face of disruptions. In the midst of the fourth industrial revolution, characterized by the integration of digital technologies and data-driven decision-making, embracing concepts like Industry 4.0 and the Internet of Things (IoT), machine learning and analytics-based decisions is vital for staying ahead.

MBA in Operations and Supply Chain Management is dedicated to meeting the dynamic techno-managerial demands of industries. Through a diverse array of pedagogical methods, including case studies, projects, group discussions, seminars, and expert industry sessions, both at national and global level, students gain a spectrum of skills and access versatile opportunities across industries. IIM Mumbai has rich alumni network with higher management positions in supply chain division of many top FMCG and other firms like P&G, Pidilite, ITC, Asian Paints and many more.

Prof. Ruchita Gupta
Programme Chair, MBA-OSCM

About the MBA-OSCM Programme

Operations and Supply Chain Management is the critical component of every business delighting the customers. A well-managed supply chain can remodel the business and its market position by reducing inventory holding costs, logistics costs, and other supply chain operations costs. IIM Mumbai has transformed its renowned two-year management program, which began in 1971, into a specialized MBA in Operations and Supply Chain Management. The program focuses on creating transformative global leaders with techno-managerial expertise and competence in operations and supply chain. The programme is meticulously designed to provide students with advanced problem-solving approaches (through experiential learning) to address the diverse array of challenges encountered in the industrial landscape today. It enables the graduates to excel in operations & supply chain along with diverse functional domains like Manufacturing, Project Management, Marketing, and Finance.

The curriculum seamlessly integrates industry-relevant, emerging technologies, and emphasizes on data driven decision making through a range of electives and global courses. Admission to the MBA program involves a rigorous selection process, including a valid CAT score. Students can expect a challenging and professional education, a collaborative learning environment with specialized offerings tailored to market needs integrating with latest techniques of Analytics, Artificial Intelligence and Machine Learning.

Capstone Project

Master of Business Administration-Sustainability Management (MBA-SM)

Climate change is a harsh reality staring us in the face as it has started to have a visible impact. The Government of India also acted positively with the pledge of Net Zero by 2070. Businesses as well as society at large acknowledge the need to assume our responsibility for the sustainable management of the economy and the environment. MBA in Sustainability Management equips future Managers with the knowledge to manage the challenges in steering businesses on the path of effective Environmental, Social, and Governance implementation. It offers understanding and expertise on a broad range of Subjects on various sustainability issues and safety challenges we face and the management tools to come up with solutions to address these issues. The Course Content is designed to meet the industry needs. It has extensively covered topics on Industrial Sustainability Management to equip students to develop integrated professional skills needed to solve real-world challenges preparing them for management and leadership positions in Multinational Corporations, Governments, Leading Consulting firms, and NGOs. We are convinced that future managers need to understand the world and context in which they operate before implementing viable solutions.

Prof. Seema Unnikrishnan
Programme Chair, MBA-SM

About the MBA-SM Programme

Sustainability is a business approach to creating long-term value by taking into consideration how a given business operates in the ecological, social, and economic environment. Similarly, Implementing Environmental, Social and Governance Frameworks is an important goal that many corporates have recognized as an effective way to move forward. The sustainability programme is one-of-its-kind in South Asia and since its inception in 2001 has attracted students who are passionate about environment and safety issues. It integrates areas of Operations, Supply chain Management and Business Strategy with aspects of Sustainability, Environmental Management, Safety management and Corporate Social Responsibility, and is updated regularly with inputs from the Alumni and the industry. The curriculum encompasses both managerial & technical perspectives and aims at developing managers who can address various sustainability problems effectively paving the way for low carbon and cleaner practices.

Certificate Programmes

Management Development Programmes (MDP)

IIM Mumbai offers a diverse portfolio of over a hundred Open Enrolment Programs annually, spanning from three days to three months. The courses are conducted both in online and offline modes. These programs cover various specialized areas, including Strategy, Finance, Marketing, Project Management, Risk Management, Supply Chain, Organizational Behaviour, People Analytics, Sustainability, Cyber security, Analytics, Artificial Intelligence and Machine learning and more. Participants can choose a program that aligns with their experience, interests, or professional needs. The courses feature rigorous yet interactive designs to keep candidates updated on global business trends. The program empowers participants to foster growth within their organization.

Centre of Excellence (CoE) in Logistics and Supply Chain Management

Global Online Certification	Details
Reinventing Business Operations with Data Analytics	The course provides in-depth insights into industry cases and trends, and supplementary materials to enhance analytical thinking. By completing this course, participants will gain the skills to harness data for informed decision-making and creating value in a business context.
Data-Driven Supply Chain Transformation	The course focuses on leveraging digital transformation, analytics, and automation to revolutionize supply chains. It explores applications of these trends in improving efficiency, visibility, and resiliency, and participants learn how to drive automation, enhance sales forecasting, and apply data analytics for product innovation.
Business Analytics: From Data to Insights and Decision Making	The course focuses on leveraging analytics to drive modern supply chain management. Participants learn to think critically about data and analyses, identify opportunities for value creation through business analytics, and estimate the value generated.
Competing in Business through AI-Powered Supply Chains	This course focuses on vital supply chain trends, analytics, and their integration for real-world impact, the program empowers participants to think critically about data and seize opportunities in business analytics.
Modelling and Building Digital Supply Chain Twins using anyLogistix	The course specifically focuses on utilizing anyLogistix software for Greenfield Analysis, Network Optimization, and Simulation. With the growing importance of IoT and cloud computing in Industry 4.0, this course equips participants with essential skills for addressing real-world challenges in Supply Chain and Operations.
Social Network Analysis and its applications	This course delves into the strategic principles and analytical strategies required to create, sustain, and reconfigure network connections in various contexts, whether for innovation, entrepreneurship, resource utilization, change management, or strategic partnerships.

Executive Certificate Program in Advanced Project Management and Analytics – IIM Mumbai

IIM Mumbai offers an Executive Certificate Program in Advanced Project Management and Analytics to address the increasing demand for proficient project management professionals. With a faculty experienced in project management, this program equips individuals with the skills and tools needed to excel in project management, ensuring successful project delivery within constraints and adapting to the dynamic VUCA environment.

International Relations

IIM Mumbai has signed MoUs with various universities abroad. We have active international collaborations with over 15 universities world-wide. These collaborations allow for student exchange, faculty exchange and also joint research opportunities that helps in cultural diversification and international exposure of our students, faculty and fellow scholars.

Operations and Supply Chain

Balkrishna Eknath Narkhede
Professor & Associate Dean - Infrastructure Planning and Development
PhD, M.Tech, BE
Areas of Interest: Industrial Engineering and Manufacturing Systems

Padmanav Acharya
Professor
PhD (IIT KGP), M.Tech (IIT KGP), BE
Areas of Interest: Industrial Engg, System Dynamics, Project Mgmt, Logistics Supply Chain

B. Koteswararao Naik
Professor
PhD (IIT Delhi), MBA, B.Tech
Areas of Interest: Management of Intellectual Property, Managing Creativity & Innovation, Technology Mgmt, Entrepreneurship and Project Mgmt

S K Md. Rauf Iqbal
Professor & Dean - Student Affairs
Ph.D. (Vidhya Sagar University), M.Sc.(University of Calcutta)
Areas of Interest: Ergonomics ad Human factors Engineering, Work System Design

L Ganapathy
Area Chair
Professor
PhD (IIT KGP), M.Tech, B.Sc
Areas of Interest: Quantitative Methods, Project Mgmt

V.B Khanapuri
Professor & Dean SRIC
Fellow(NITIE),MBA, BE
Areas of Interest: Project Mgmt, Maintenance Mgmt, BPR & IT

Milind Akarte
Professor
PhD (IIT B), M.Tech (IIT B), BE
Areas of Interest: Industrial Engg, Ops & SCM, Manufacturing Strategy, MCDM, Additive Manufacturing

Vivek Khanzode
Professor & Dean - Planning and Coordination
PhD (IIT KGP), M.Tech.(IIT KGP), BE
Areas of Interest: Operations Mgmt, Lean Manufacturing

Priyanka Verma
Associate Professor & Associate Dean - Planning and Coordination
PhD (IIT Kanpur), M.Tech (IIT Kanpur), BE
Areas of Interest: Ops Research, SCM, Facilities Planning, Advanced Optimization Methods, Business Statistics

Ruchita Gupta
Associate Professor
Programme Chair - MBA (OSCM)
PhD (IIT Bombay), M.Tech, BE
Areas of Interest: Mgmt of Technology, Tech. Diffusion and Adoption, Technology Transfer and Commercialization, Technology Entrepreneurship.

Rakesh D. Raut
Associate Professor
Post Doctorate (LGPP), EPFL Switzerland
Fellow (NITIE), M.Tech, BE
Areas of Interest: Managing Supplier Relations, Partner Selections,Collaborative Network Organization,Logistic Management

Sushmita Narayana Aghalaya
Associate Professor
Fellow(IIM Khozikode), BE
Areas of Interest: Supply Chain Management, Systems & Healthcare

Ravindra Gokhale
Associate Professor
PhD (IISc B), M.Tech (IIT B), BE
Areas of Interest: Ops Mgmt, Business Statistics, Applied Multivariate Analysis, Supply Chain Mgmt

Manupati Vijaya Kumar
Assistant Professor
PhD (IIT KGP), M.Tech, B.Tech
Areas of Interest: Manufacturing Systems, AI and ML, Production Planning & Control, Optimization Techniques, Data Science for Managerial Implications

MS Mahapatra
Assistant Professor
PhD (IIT KGP), M.Tech (IIT KGP), BE
Areas of Interest: Ops Research, SCM, Multi-Objective Optimization, Business Statistics, Project Management, ML

Rofin TM
Assistant Professor
PhD (IIT KGP), MBA, B.Tech
Areas of Interest: Operations Mgmt, Service Operations, Revenue Mgmt

Veepan Kumar
Assistant Professor
PhD (IIT D), M.Tech, BE
Areas of Interest: Industry 4.0, Smart & Digital Supply Chain, Digital Innovations, Digital Platforms, Sustainable Business Practices, Digitalization in Manufacturing & Supply Chain, Intelligent Manufacturing

Rosalin Sahoo
Assistant Professor
PhD (IIT KGP), M.Tech, B.Tech
Areas of Interest: Logistics 4.0, Supply Network Modelling, Metaheuristic Techniques

Ramesh Kumar
Assistant Professor
PhD (NITIE), M.Tech, BE
Areas of Interest: Supply Chain Network Design, Discrete Event Simulation Modeling Optimization and Mixed-integer linear programming Supply Chain Risk Management

Analytics and Data Science

Hema A Date
Professor & Dean Alumni Affairs
Fellow (NITIE), PGDIE (NITIE), B.E.
Areas of Interest: Software Engg, BI, DSS, e-Business,IT Consulting, AI, Data Mining, Business Analytics, Knowledge Mgmt, IT Applications.

Rakesh Verma
Area Chair
Professor
PhD (IIT Kharagpur), M.Sc.
Areas of Interest: Operations Research

Purnima S Sangle
Professor
PhD (University of Indore), M.Sc
Areas of Interest: Business Analytics, Data Mining, Multi Channel CRM, ERP Business Value of IT

Debabrata Das
Associate Professor
PhD (IIT Bombay), M.Sc, B.Sc
Areas of Interest: System Dynamic & Supply Chain Modelling

Jasashwi Mandal
Assistant Professor
PhD (IIT KGP), M.Sc, B.Sc
Areas of Interest: Operations Research, Supply Chain Management, Shipping and Logistics, Maritime Shipping

Amit Kumar Das
Assistant Professor
PhD (IIT KGP), M.Tech (IIT KGP), BE
Areas of Interest: Optimization, Artificial Intelligence, ML, Smart Manufacturing

Faculty

Finance, Economics & Strategy

Utpal Chattopadhyay
Area Chair, Professor & Associate Dean, Student Welfare and Hostel Managemnt
Programme Chair - MBA
PhD (Delhi University), M.Sc. (University of Calcutta)
Areas of Interest: Economics & Strategy

Vijaya Gupta
Professor
PhD (University of Rajasthan), M.Phil, M.A
Areas of Interest: Business Economics, Agriculture Economics, Environmental Economics

M. Venkateshwarlu
Professor
PhD (Osmania University), MCom
Areas of Interest: Accounting & Finance

Ajaya Kumar Panda
Associate Professor
PhD (Hyderabad Central University), MPhil, MA
Areas of Interest: International Finance, Financial Economics, Applied Econometrics, Time Series Analysis

KS Ranjani

Poonam Singh
Associate Professor
PhD (IGIDR), M.Sc
Areas of Interest: Corp. Finance, Corp. Governance, Competition Policy, Financial Regulations, Industrial Organization, Applied Econometrics

Vipul Kumar Singh
Associate Professor
Ph.D.Jamia Millia Islamia), MSc, BSc
Areas of Interest: Financial Engineering

Marketing

Manoj Kumar Jha
Professor
PhD, MBA, B.E
Areas of Interest: B2B Marketing, Marketing Strategy, Software Engineering, MIS

Neeraj Pandey
Professor & Associate Dean - Placement and Branding
Post-Doc (Johns Hopkins University, USA), PhD, MBA
Areas of Interest: B2B Marketing,Pricing, Services Marketing,Digital Marketing

Sanjeev Verma
Area Chair
Professor
Ph.D. , MBA , PGDCA , B.Sc.
Areas of Interest: Marketing Research, Marketing Analytics, Consumer Behavior, Services Marketing

Rekha Chikhalkar
Professor
Fellow(NITIE) , MBA
Areas of Interest: Marketing Management

Vartika Srivastava
Assistant Professor
PhD, PGDM (IIM-A), B.Tech (IIT KGP)
Areas of Interest: Consumer Behaviour, Big Data-Driven Consumer Analytics, Social Media Marketing, Marketing Engineering and Analytics,Qualitative & Quantitative Research Methods.

Organisational Behaviour and HRM

D K Srivastava
Professor
PhD (IIT B), M.A (University of Allahabad)
Areas of Interest: Organizational Behaviour and HRM

Upasna A Agarwal
Area Chair
Professor
PhD (IIT Bombay), Masters (Labour Law)
Areas of Interest: Organisation Behaviour, Human Resource Mgmt

Sumi Jha
Professor & Associate Dean - Academics
Fellow(NITIE), MBA (HR), B.Sc
Areas of Interest: Competency Mapping, Assessment Centre,

T Prasad
Professor
PhD (Osmania University), M.Com
Areas of Interest: Innovation, Entrepreneurship, Reinventing Higher Education

Megha Gupta
Assistant Professor
PhD, IIT Delhi
MA HRM, JMI University
Areas of Interest: Managerial Communication, Gender Sensitization & Awareness, Diversity, Equity & Inclusion

Testimonials

Gokul P
Batch of 2024

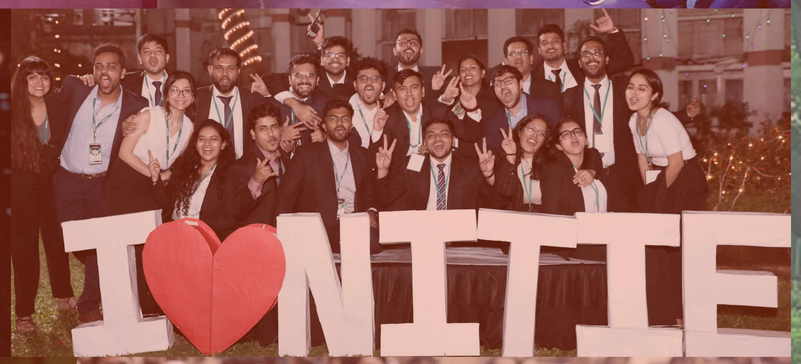
My journey at IIM Mumbai has been nothing short of transformative. From initial skepticism to unwavering optimism, this institution has exceeded my expectations. The learning environment, infrastructure, and opportunities provided here are unparalleled, making IIM Mumbai stand out among the top B-schools. It's a place where dreams come to life. The rollercoaster of emotions and countless opportunities have nurtured my confidence and leadership vision. The interactions with brilliant minds and a myriad of academic prospects have broadened my horizons. However, the most precious aspect is the tight-knit IIM Mumbai family and the lush green campus. It's a defining experience, indeed. The cutting-edge curriculum of the MBA course at IIM Mumbai has been instrumental in shaping my academic journey and helping me achieve my goals.

Tejas Baviskar
Batch of 2024

My journey at this institution has been an exhilarating roller coaster ride. I aspired to become a NITIEzen, but now, as I prepare to graduate, I proudly bear the title of an IIM Mumbai graduate. The transformation I've undergone here has been remarkable. IIM Mumbai is not just a place of learning; it's a landscape of transformation. The pedagogy equipped me with essential skills, while the campus provided an abundance of opportunities for holistic growth. Experiencing this transformation within the picturesque campus, alongside remarkable friends, has been a true delight. These two years have enriched me academically and provided a wealth of life experiences, extending beyond academics to include networking with alumni, participating in summits, and actively contributing to various committees.

Rashika Tiwari
Batch of 2024

IIM Mumbai has become a new age institute with its legacy embedded in its history and expertise. The MBA (SM) course at IIM Mumbai has not only broadened my understanding of sustainability but has also equipped me with the knowledge and skills required to address pressing global challenges. The curriculum is thoughtfully designed, covering a wide array of topics from environmental conservation to corporate sustainability, all while emphasizing practical solutions and real-world applications. The institute has also given me opportunities to explore practical application of sustainability to various industries. I also have the opportunity to become part of various extra curricular activities on the campus that provides me a holistic MBA experience.



Glimpses from God's Own Campus

Campus Attractions:

Nestled amidst the bustling city of Mumbai, our campus provides a tranquil retreat with lush green landscapes.

Three hostel blocks, including one of the tallest hostel buildings and a MDP building for the executives

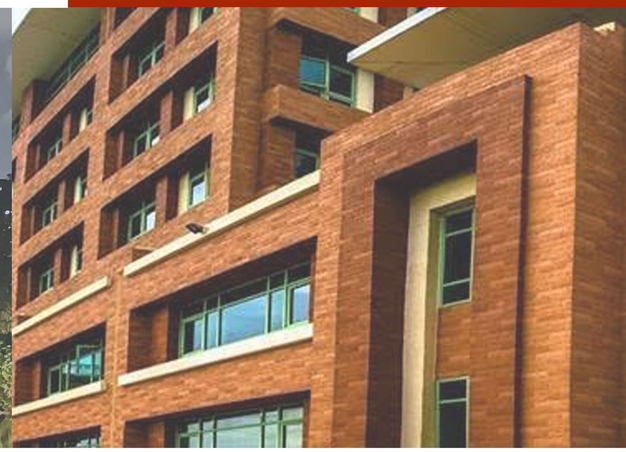
Multimedia enabled classrooms

Sports & Recreational Facilities

Full-Fledged Library with access to online databases and journals

Location Advantage:

IIM Mumbai's location in the vibrant financial capital of India provides numerous advantages to its students. The proximity to corporate hubs facilitates valuable industry exposure through internships and networking, while the city's diverse and international character enhances global perspectives. Access to top industry talent, a thriving entrepreneurial ecosystem, and extensive cultural and recreational opportunities make Mumbai an ideal place for learning and personal growth. The city's well-connected transportation infrastructure ensures accessibility, and its dynamic philanthropic scene fosters social responsibility. Moreover, the cultural diversity, pleasant climate, and abundant networking opportunities all contribute to a holistic educational experience that uniquely positions students for success in the business world.



Student Committee

1st Row: Malini Bose, Prathiksha Kunder, Charul Goyal
2nd Row: Kumar Sourav, Soumya Mohanty, Rohit Kumar,
Harshit Kaul, Vibhor Gupta, Joseph Kurian
3rd Row: Dheeraj Kumar Soni, Gokul Subramaniam, Bishal Mishra

1st Row: Rohit Yadav, Tulasi Patle, Jatan Thakar, Tithi Kasliwal
Takkolam Ravi Teja, Sayali Chetule, Paresh Swami
2nd Row: Ritik Jha, Priyansh Kela, Chinmoy Samal, Divyanshu Raj

Reaching IIM Mumbai

Nearest Major Railway Stations:

Chhatrapati Shivaji Maharaj Terminus (CST): Located in the heart of Mumbai, CST is one of the busiest railway stations in the city. IIM Mumbai is easily accessible from CST, and you can reach the campus by road in approximately 40 minutes.

Lokmanya Tilak Terminus (LTT): LTT is another major railway station in Mumbai, and it offers good connectivity to IIM Mumbai. The campus is approximately a 20-minute drive from LTT.

Andheri Railway Station: Andheri is one of the key suburban railway stations in Mumbai. From Andheri, you can reach IIM Mumbai by road in about 25 minutes.

Nearest Airport:

Chhatrapati Shivaji International Airport (BOM): Mumbai's international airport, BOM, is the primary gateway to the city. IIM Mumbai is located approximately 5.5 kilometers from the airport, and you can reach the campus in around 20 minutes by road.

Notable Places:

Powai Lake: IIM Mumbai is situated near Powai Lake, a picturesque spot that offers a serene environment, perfect for leisurely walks or relaxation.

Hiranandani Gardens: This well-planned township in Powai is known for its vibrant atmosphere, shopping areas, restaurants, and recreational spaces. It's just a stone's throw away from IIM Mumbai.
