Message from the Director

It gives me immense pleasure to invite prospective students to the MDI Murshidabad family on behalf of the entire campus community.

The MDI society had established its second campus in Murshidabad, West Bengal in 2014 with the vision of imparting quality management education to the students and nurturing them to become thought leaders of tomorrow. Four years after the laying of the foundation stone in October 2010, the then President of India, Hon'ble Late Shri Pranab Mukherjee, inaugurated the college infrastructure in August 2014. The occasion also saw the commencement of MDI's flagship academic program, the Post Graduate Diploma in Management (PGDM), which is recognized by the All India Council for Technical Education (AICTE), New Delhi. Since its inception, MDI Murshidabad has been committed in achieving academic excellence through its sustained focus on inculcating and harnessing the innovative potential in its students, enabling them to become quality managers

as well as global leaders. The campus has achieved success not only in terms of its state-of-the-art infrastructure and expert faculty but also in terms of covering several milestones in consanguine domains. These include organizing MDPs, Online Programmes, industrial visits, business symposia, corporate events, etc. Needless to mention that our students and faculty members have played pivotal roles in achieving these occasions with satisfactory conclusions.

MDI Murshidabad has made significant all-round progress in the past year, granting the academic year 2019-20 a special place in our memories. To begin with, MDI Murshidabad received A** (A double star) grading at National Level and A*** (A triple star) grading at State Level from the premier rating agency CRISIL. Further, we were recognized by the NHRDN-Shine.com B-School ranking survey as the best emerging B-School in the country. We also had the privilege of being instituted as one of the members of the prestigious Association of Management Development Institutions in South Asia (AMDISA) for a period of five years, effective from April 2019 to March 2024. Some of the academic progress achieved by MDI Murshidabad last year also merit recounting. This year was full of challenges for all the stake-holders because of outbreak of Coronavirus pandemic. Students of MDI Murshidabad undertook their Summer Internship Projects with the various companies. Omilia Corporate Talk-Series organized many corporate-level webinars where the distinguished corporate leaders were invited for giving inputs to the students. These were organized through well equipped online digital platforms to create an ecosystem for academia-industry collaboration even in these unprecedented times.

MDI Murshidabad has established its Case Research Centre (MDIMCRC) joining hands with All India Management Association (AIMA) to develop Indian centric business cases for the benefit of students of MDIM. Amid the current crisis, MDIM has partnered with SOAS University of London, United Kingdom to offer students of MDIM a global learning environment.

MDI Murshidabad conducted its online conferences on the theme - International Conference on Business IT and Enterprise Architecture -2020 (ICBIT 2020) during September 2020. It had in total 7 tracks. There were paper presenters from renowned academic institutions from across the countries like Bangladesh, Nepal, United States. ICBIT 2020 saw representation from all the continents namely Asia, Australia, Europe, Africa as well as the America. This conference exemplified, how technology is going to shape the knowledge creation as well as knowledge dissemination in the days to come.

Starting from April 2020, MDIM started hosting various online MDPs to the corporate houses to tide over the gap between the current pandemic and the continuous learning. MDIM has trained nearly 150 corporate executives even during this acute pandemic situation through online digital platform. This shows the audacity of the Institute in turning adversities into opportunities. The companies include NALCO, IOCL, BHEL, BEML, GAIL, JK Paper, Aurobindo Pharma Ltd., Coromandel

International Ltd., Midhani, Amway India, Balmer Lawrie & Co. Ltd., HPCL, NTPC, RINL Vizag Steel Plant, TVS Electronics Ltd. to name a few.

MDI Murshidabad set up state-of-the-art Bloomberg Finance Lab powered by 4 Bloomberg Terminals. The vision of the Finance Lab is to integrate those terminals into core curriculum of MDIM and teach whole of the Finance courses through a trimester long project. Underscoring its commitment to promoting the culture of success, learning, and growth in all spheres, the Institute has constituted three Centres of Excellence (COE) such as Centre for Agri-business & Food Processing, Centre for Artificial Intelligence, and Centre for Entrepreneurship & Start-ups.

The Institute has always endeavoured to strengthen its core faculty. Presently, the Institute has a good mix of young, dynamic and experienced faculty members. Our students also get to interact with specialized faculty from other top institutions in the region including IIM Calcutta, ISI Calcutta, IITs, Jadavpur University, Calcutta University, IIFT etc. Distinguished personalities across India in the field of academics, industry, business, government, culture and international relations, pay frequent visits to MDIM (now through online platform) to engage with students and enrich their learning.

MDI Murshidabad has hosted several events organized by student-driven clubs and committees. Notable among these are Vicarana and Budget Xpress, both annual events. Others are Brandify, FinQuest, SigMa, TRiViA, tHRust and HrUdbhav. Organized by the subject-specific clubs, these, along with quizzes, cases and other management competitions, are among a variety of regular events that are hosted on the campus. Our students have also showed their talent by participating and winning accolades in competitions held at other renowned (IITs and IIMs) B-schools in the country. The Institute has always endeavoured to strengthen its core faculty. Presently, we have a good mix of young, dynamic and experienced Faculty Members, who double up as institution builders and student mentors. The MDI community also focuses on promoting the growth of a knowledge-sharing culture among institutions.

Last year our students received summer internship and final placement offers from prominent organizations from across India. These include ICICI Bank, HDFC Bank, IDFC First Bank, Audi, Federal Bank, Balmer Lawrie, Jio Studios, Careers 360, Hyundai, ITC, Maruti Suzuki, Decathlon, Leadsquared, Deloitte, Muthoot Fincorp, Oyo, Purnartha, Sabre, Randstad Technologies, Quantela, ByteDance, Café Coffee Day, Dabur, Crompton Greeves, BrowserStack, Airtel, Wipro Digital, PWC, KPMG, Upgrad, Trafigura, WhiteHat, TCS, Salesforce, TresVista, Simplilearn, Mott Macdonald, SBI Life, Wunderman Thompson, Shapoorji Pallonji, Fynd, Gaia Smart Cities, Future Group, Flipkart, Coupon Monster, Bafflesol Technologies, Helium, HealthMug, Arohan, Tata Steel, AtlantaEnergy, Buddy4Study, DigitallyNext, iRageCapital, Kite, Reserve Bank of India (RBI), Sumedha, Stelmec, UrbanClap, Vox Populi Research, Zigram, Zolo, MyGate among others.

Institute is of the firm belief that knowledge shapes character and character is the essence of our identity. Hence, MDIM aspires to be the crucible wherein our identity is metamorphosed through an exclusive process of comprehensive education, layered between character-building co-curricular activities that go beyond academics. While talent is appreciable, tenacity and fortitude are two decisive qualities that enable a student to grow. Challenging as it is, MDIM's rigorous routine is designed to ensure that resolute students come out of the fray learned, worthy, and possessing domain-defining capabilities. I always believe that success will definitely embrace people who are Thinkers and Doers in one person and also follow the policy of Connect, Nurture and Grow.

MDI Murshidabad is an abode where the young minds associate themselves with Great Minds, Leaders, Achievers and expand the cognitive boundaries for good, thus achieving excellence in their respective endeavours.

Wish you the very best,
Prof. (Dr.) Atmanand

About MDI Murshidabad

Management Development Institute (MDI) was set up as an autonomous body in 1973 in collaboration with KFW, West Germany, and with the active support of the Industrial Finance Corporation of India (IFCI). With an intention to impart management education, nurture local talent, and groom them to become global leaders, Management Development Institute (MDI), launched its Murshidabad campus in 2014. The foundation stone was laid on 31 October, 2010 at Jangipur, Murshidabad, West Bengal by the then Honourable Union Minister of Finance, Govt. of India, Late Shri Pranab Mukherjee.

MDI Murshidabad (MDIM) is a young business school which aims to create a positive impact on people, companies and society. In a short period of time through the in-house and open Management Development Programmes on various themes conducted by faculty, MDIM has been able to build its image of quality.

In 2014, MDIM launched its Post Graduate Diploma in Management (PGDM). It was commemorated in the presence of the then Hon'ble President of India Late Shri Pranab Mukherjee, by an inspiring address by him to our first batch of PGDM students on the 24th of August, 2014. This was followed by a deliberation made by Late Shri Arun Jaitley, Hon'ble Minister of Finance, Defence & Corporate Affairs, Govt. of India. PGDM offered by MDIM is recognized and accredited by the All India Council for Technical Education (AICTE), New Delhi.

MDI renews its commitment towards imparting quality management education. The Murshidabad campus is a part of MDI's vision to nurture and promote talent and enterprise. MDIM would seek to align local aspirations with available state-of-the-art facilities.

The campus of MDIM is located in the northern part of the State of West Bengal, India. MDIM prides itself in not only providing Management Education but also developing ethical corporate citizens for tomorrow's India.

Strategic Vision

MDI aims to be a globally recognized management school through academic excellence and continuous innovation to nurture responsible leaders for creating sustainable alternatives.

Strategic Mission

1. Become a globally recognized management school with international and national recognition through knowledge development.
2. Enhance academic excellence in research, consulting, training, and teaching with cutting edge resources.
3. Encourage continuous innovation.
4. Create and nurture socially responsible leaders.
5. Promote sustainable alternatives in decision making.

Curriculum Design

The PGDM curriculum has been designed to enrich student's skills and abilities in order to enable them in applying management theories and concepts in live problems existing in business and industry. The programme enables students to identify and diagnose complex problems in management through hands on learning experiences. It includes gamut of pedagogy: lectures, case studies, seminars, assignments, live projects, group discussions, business games, outbound based experiential learning activities, educational excursions, role plays, simulation exercises, structured and unstructured group work, and field visits. Consistent with state-of-art technology, the programme integrates the use of computers (IT) in the learning process. The students undertake several field based projects (live projects) so that they can get better insights into real life situation. These all will inevitably assist students to achieve high standards of excellence.

Programme Structure

Core Courses

The PGDM course curriculum is spread across six terms with the bulk covered in the first three terms. These core courses

will enhance the ability to communicate, analyze situations and make decisions by adopting quantitative and qualitative techniques. It even helps them to develop a holistic view of the different functional areas and the business environment. During this period, it is mandatory to opt for courses in general management and major functional areas, such as finance and accounting, marketing, operations management, information technology management, organizational behaviour, human resource and strategic management. They get exposure to the basic disciplines of economics, behavioural sciences, managerial communication, business law, quantitative methods and decision sciences.

Summer Internship

At the end of the first three terms, students are required to undertake an industry internship or summer training to work on a project / life problem an organization. The internship usually spans over a period of eight weeks. This is a compulsory component of the curriculum for the completion of the academic requirements. It is designed to provide exposure to organizational work setting, develop an understanding of business realities, learn how to apply theory in real life business situations and find its relevance.

Specializations

In the second year, the student opts for elective/ optional courses to specialize in a maximum of two functional areas.

These areas of specialization may deal with any of the following:

- Finance
- Human Resource Management
- Marketing Management
- Supply Chain Management

All elective Courses, however, may not be offered, as this would be determined by the number of students showing interest in aforementioned area of specializations. Details about the electives are made available to students when they join MDIM. To specialize in an area, a student must opt for a minimum of five elective courses offered in that area that assigns a weightage of 15 credits and three each for a course. Students will be allowed to opt in a range of 14 to 17 electives. However, CGPA would be decided based on the best 14 electives out of total electives where students have scored relatively better.

The Institute has envisaged new electives in line with latest demands of the students and corporate like Econometrics and many more expected to appear in the forthcoming academic session that will meet corporate requirements.

Evaluation

The evaluation system for the PGDM has been designed to achieve the following:

- Evaluate the progress of learning of each student
- Prescribe and promote certain acceptable and uniform standards of comprehension
- Encourage healthy and constructive competition among the students

MDIM follows a system of continuous evaluation. Throughout the term, students have to appear in various tests on their ability to understand concepts, learn techniques and apply them to problems in the real life situation relevant to corporate. At each stage of the course through continuous feedback, the students would be in a position to gauge their performance and take remedial measures in order to make improvements. In each course, a student will be thus awarded a grade sheet only. The weighted average of all courses taken by a student in the programme will give the Cumulative Grade Point Average (CGPA).

Recognition

On successful completion of the programme requirements, a student will be awarded a Post Graduate Diploma in Management, PGDM, which has the approval of the All India Council for Technical Education (AICTE), Government of India.
