MET League of Colleges

Just a stone's throw away from the Arabian Sea in an institution that is creating waves. Because, it is quite simply, a cut above the rest. The MET League of Colleges is a conglomerate of premiere educational institutions, driven by a single-minded focus on imparting quality education, to make students sharp. Training is imparted round-the-clock, seven days a week. Projects and assignments are given utmost importance and students learn on the job. Application-oriented knowledge, garnered in the

lecture halls, is applied to industry assignments. The faculty spares no effort to make students razor sharp, so that they make their mark in the corporate world. The management endeavors to create an environment that encourages students, to push the limits of their minds. All this, to help young professionals face the challenges of life and make their mark in the corporate world.

MET Institute of International Studies

In today's dynamic global scenario it is very important that students get an international exposure to broaden their vision and to enhance their personality. International exposure and experience may lead to better coping skills in professional careers. MET IIS offers world class inter-disciplinary education that connects a completely new technology based global education and exposure to global world. This institute provides an opportunity and platform to explore affordable global educational opportunities in some of the best universities on the planet Earth.

About NCC Education

NCC Education is an awarding organisation and global provider of British Education. NCC Education offers the complete education solution to global network of Accredited Partner Centres in more than 50 countries worldwide. NCC Education qualifications have boosted the careers of over 1,50,000 students worldwide, having gone on to work for multinational companies, SMEs or setting up their own businesses. The unique and student-centric supportive approach to providing this International Degree route allows students the flexibility to study at their own pace and receive a recognised certificate for their achievements at every level of their education.

MET Mumbai is Accredited Partner Center of NCC Education, UK (Body Awarding Great British Qualifications) offering the most sought after International courses.

► Level 3- International Foundation Diploma (L3IFD):

The International Foundation Diploma (IFD) is a one year pre-university course, and thus saves one year of education after 10th standard. This Qualification is designed to provide an entry route to Graduation courses in UK, Canada, Australia & US.

Eligibility Criterion: Candidate should be 10th pass or equivalent from a recognized board.

Specialisations: The following specialisations are offered in L3IFD

- Business
- Computing
- Higher Finance
- Engineering
- Chemical Engineering
- Health Sciences

► International Graduation Courses

These are 3 year degree courses, designed to focus on holistic development of students interested in gaining international qualification. These qualifications equip students with the right attitude, knowledge and skills required for an international career. Graduation is offered in the following specialisations:

- BA (Hons) Business Administration
- BA (Hons) Business Management
- Bsc (Hons) Business Computing and Information Systems

Eligibility Criterion: 12th from CBSE, HSC, IGCSE, ICSE, CISE, NIOS, A-Level, IB Diploma or any equivalent course or successfully completed Level 3 Diploma in NCC Education.

Available Options for Three Years Graduate Programs:

Option-1*	Complete Level 4 (1st year) in MET Mumbai and complete Level 5 (2nd year) & Graduation in UK/Australia (1 year at MET + 2 Years UK/Australia)
Option-2	Complete Level 4 (1st year) & Level 5 (2nd year) in MET Mumbai & Graduation in UK/Australia (2 year at MET + 1 Year UK/Australia)
Option-3**	Complete Graduation (all 3 years) from MET Mumbai by registering to University of Central Lancashire (UCLan)/ Buckinghamshire New University/Anglia Ruskin University

Academic Progression for Graduates

The qualification prepares students for careers or postgraduate study in all areas of Management, Marketing, Finance, Accounting and Business Administration. Upon successful completion, students understand all the aspects of the global business environment, as well as be provided with essential skills to research, analyze and manage business relationships.

- On completion of the University Degree, Graduates are eligible to apply for Post graduation and Masters Degree across the World.
- MET IIS Mumbai offers a Level 7 Diploma of NCC Education in Business Management.
- Can apply for Autonomous Post Graduation Diploma courses in India.

Post Graduate Courses from UK Universities

Eligibility Criterion: Graduation from any recognized university, or Level 6 (Graduation from international universities)

► Level 7 - Diploma in Business Management

This one year full time course will be conducted in MET Mumbai Campus and students will be awarded Level 7 Diploma by NCC Education. After Level 7 Diploma students can work and simultaneously complete masters degree (MBA) by doing six months top-up from the following universities:

- Plymouth University • Cardiff Metropolitan University

(Students will have to pay fees directly to University for the six months top up course)

List of universities for progression is subject to change/updates, please check for the latest information at the time of your progression.
