ABOUT SCMHRD

In the 27 years since its inception, Symbiosis Centre for Management and Human Resource Development (SCMHRD) has witnessed phenomenal growth. A premier management institute with a vision to produce leaders and change agents, SCMHRD has been constantly pushing boundaries in the sphere of management education. Through its diverse offerings in disciplines of Human Resources, Finance, Sales & Marketing, Operations, Business Analytics and Infrastructure Development & Management, SCMHRD cultivates in students the key analytical and leadership skills required to be impactful managers.

For the 2019 Placement season, SCMHRD saw participation of both eminent legacy recruiters and first time recruiting partners. Over 95 esteemed organizations participated in the placement processes. SCMHRD owes its upward growth trajectory to the meticulously designed curriculum, world-class faculty, and robust alumni network. We hope to continue building our relationships with our recruiting partners and help them connect with the right talent while also ensuring that our students' aspirations are thoroughly fulfilled.

MESSAGE FROM LEADERSHIP

Dr. Pratima Sheorey
Director, SCMHRD

The unprecedented level of success achieved last year in the placements is a testament to the quality of our faculty and students, which is nothing short of exceptional. The dynamic curriculum and student-driven culture has helped the institute secure laurels in new and old competitions conducted by various corporate houses. It makes us immensely proud and humbled to present these stellar results. We extend our heartfelt gratitude to our recruiters, faculty and alumni for their enduring support, which has empowered us to scale new heights in our 27th year.

The Placement Process this year has cemented the position of SCMHRD amongst the top B-schools in India. The perfect composition of our course structure balances industry requirements with foundational skills which has resulted in the continued rise in offers made by our recruiters. More importantly, it demonstrates the confidence exhibited by our recruiting partners in the institute and the students. We hope to build on the success of this season and further advance exciting forms of engagement between our students and the corporate world.

CENTRE OF EXCELLENCE- OPERATIONS

ABOUT OPERATIONS

- Master of Business Administration (MBA) in Operations Management is chiefly concerned with the planning, organizing and supervising aspects of production and manufacturing.
- The function of operations management involves turning an organization's resources (materials, labor, etc.) into products and services.
The operations students at SCMHRD are taught about the various intricacies involved in all these processes.
- From factors impacting a company's supply chain to the nuances of six-sigma, the students are made familiar with all the aspects along with other rising and prominent trends in the field of Operations Management.

KEY COURSES

- Supply Chain Management
- Warehouse Management
- Lean Six Sigma
- Service Operations Management
- International Trade & Logistics
- Operations Strategy & Control

JOB ROLES OFFERED

- Logistics and Supply Chain
- IT/technology Operations
- Product Management

KEY EVENTS

THE BUSINESS OF SURVIVAL

An immersion into the various facets of the changing paradigm in the post-COVID 19 business era, this webinar lecture series was conceived at the onset of the lockdown in order to ensure that students continue to engage with the corporate world even during uncertain and unprecedented times. Leaders from various industries shared insights on how their respective businesses are surviving and thriving despite the influence of a disruptor like COVID-19.

Participating Companies

HR E-CONCLAVE

Shining a spotlight on HR and its transformation as the rising phoenix in the midst of the COVID-19 pandemic, the HR e-Conclave saw experienced HR practitioners debate the various facets of emerging themes related to labour laws, diversity and inclusion, technology, employer branding and more. With these much-needed discussions on the contributions of HR in enabling and championing change, the attendees were made aware of the transformation of HR from a support function to a strategic one.

Participating Companies

KEY EVENTS

Topics
Changing the role of HR with rising technologies and digitization
How can the government & business work together on changing labor laws to boost the economy
Paradigms of a good Employer Brand: Building a sustainable and strategic presence
The Post-Covid-19 Workplace: Redesigned Workplace for the new normal
How to enable an equal workplace for all through diversity and inclusion.

B-ILLUMINATED

Riding on the success of the HR e-Conclave, we focused our sights on all things Sales and Marketing. B-ILLUMINATED saw discussions on themes ranging from customer engagement to rebuilding brand trust by panels of esteemed marketers. The esteemed panellists 'illuminated' the attendees with practical insights into how the marketing landscape is transforming itself in the era of the new normal.

Participating Companies

Topics
Changing the paradigms of Customer Engagement with COVID-19
A Conversation: Women, Diversity, and Inclusion in C-Suite
Leveraging Technology: Now more important than ever before
Will the recovery session of the Indian economy be U-shaped or V-shaped?
Rebuilding Brand trust with data-driven decision-making.

STUDENT AWARDS & ACHIEVEMENTS 2019-20

PLACEMENT PROCESS

The students of SCMHRD are offered the best profiles in top-notch companies across industries. Furthering its commitment to bringing in more transparency and professionalism to the entire placement process, SCMHRD now adheres to Indian Placement Reporting Standards (IPRS) and the placement data is audited by the reputed firm CRISIL.

The dynamic curriculum, top notch faculty, live projects, regular interaction with the industry experts, specially designed corporate courses and hands-on consulting experience prepare students to deliver their best every time. This encourages many top companies to visit SCMHRD during every placement season.

PRE PLACEMENT TALKS

Companies are invited on campus to conduct Pre-Placement Talks before the placement week commences, for both final and summer placements. This gives students a clear idea of the profiles and projects being offered. This also gives the companies a chance to interact with the batch and gauge it.

If a company is unable to visit the campus for such an interaction, it's presentation can be mailed to the placement cell, which takes the responsibility of making it reach the concerned students.

SUMMER PLACEMENTS

At the end of the first year, every student undergoes a two-month Summer Internship in an organization to obtain an experience of the corporate roles they want to fit in. Students work on live projects and help the company get an insight into the talent pool available in the college. In addition to the Summer Internships, the institution also accommodates Winter Internship Programs in collaboration with the industry as per their requirements, for second year students.

SCMHRD was conceived a quarter-century ago, with an idea to lay the foundations for an institute that would train the nation's leaders by dispensing quality management education. In this time, SCMHRD has made great strides by providing its students with sophisticated infrastructure to complement the erudite faculty, and has carved a niche for itself in management education. The institute has sculpted astute minds who have exhibited remarkable business acumen and have contributed to the stellar reputation that the institute enjoys today. Scaling great heights by featuring among the top business schools in the country in just 27 years of its existence, SCMHRD is a phenomenon that promises to amaze for years to come.
