# Placement Success Stories

“ It is indeed real pleasure to be a student of Suryadatta. Frankly I am looking for an every opportunity to be in campus everytime in last many years. It was really an life changing opportunity and pleasure to be a part of PGDM batch 2006-08.

Looking back those 2 years and after that 14 years its been a fantastic journey for me. In addition to having a good career as a successful banker that largely a result of those 2 years in Suryadatta. Sanjay sir is my guru. A Guru in true indian tradition. To large extend happy to take his guidance with every bit of decisions of my professional and personal life. He is always their to support with full of energy and motivation. After passed out as a rank holder from Suryadatta I got placed HDFC Bank - corporate banking division and then I moved to Axis bank retail banking and then Development Bank of Singapore in wealth management side. Lastly I was with LGT validus (Indian arm of LGT bank Switzerland) as Vice President - Private Banking Group, before starting my own company as a founder "Shivaay Capital Advisory Services" in Wealth Management and Investment Banking.

I would like to thank again for a entrepreneurial spirit we got from Sanjay sir in last many years. ”

**Mr. Prashant Dave**  
Entrepreneur  
Shivaay Capital Advisory Services

“ I got an amazing opportunity through campus placement to start my career with an FMCG giant like Nestle India. Over the past 15 years of my career and having worked with companies like Nestle, Samsung and Pepsico, I have graduated in to leadership role. Hence i can completely understand & echo the importance of taking right decisions for your career specially at the start.

Suryadatta will give you that opportunity by getting good companies for campus placements. Furthermore the very well informed faculty, well planned and thought through industrial visits will give you all the required ammunition to take that successful first step in to your professional journey. I still recall the Indore industrial visit which provided a detailed clarity on the corporate processes which later on proved very crucial in cracking my Nestle interview.

**My advice** - take the step, give your sincere and 100% efforts and there are no limits to what you can achieve. ”

**Mr. Shikhar Dogra**  
Go To Market IT Delivery Lead - AMESA & APAC - Pepsico

“ It was very nervous feeling for a middle class family student come and study in Pune even that time one train from prayagraj was their. Gradually started getting confidence through college management things were changing. Due to high industry exposure from college I got opportunity to work for Coca Cola and served them till 2018 around Africa continent. Communication between college and student is the main usp of suryadatta.

I am grateful to Suryadatta Staff for their guidance Best wishes for future ahead. ”
