CAT 2022 result is expected in the January 2023 first week. Much before the CAT result date, all the MBA colleges have announced their admission policy and likely cut offs. Besides there are many MBA colleges which have closed admission process now, may reopen their application for a few days after release of CAT result. Accordingly, you have a wide choice for each CAT percentile range to select the right B-school now and till few days after release of CAT result in January.

But before you jump to any conclusion on finally making a choice of B-school and MBA/PGDM program, you must be aware how to select right MBA college based on your preference using various parameters. MBAUniverse.com suggests following to help you decide which B-schools to apply using 10 criteria points that have been well researched by our experts

- CAT Score Cut Off: Check your eligibility
- MBA Vs PGDM: Check & Select type of MBA College carefully
- Fee: Calculate Total Amount you will spend, not just Tuition Fee
- Placements: Check Average Salary and Top Recruiters in past 4-5 years
- Ranking & Accreditation: Trust only the best like NIRF, MBAUniverse.com Ranking; AACSB Accreditation
- Faculty: The most important criteria, research wisely how qualified, experienced and research oriented faculty is teaching at the institute
- Location: Either prefer Top Cities for MBA, or Top Colleges
- General MBA or Specialized MBA: Match your aptitude for General MBA or specialized one
- Legacy & Alumni Base: Older the B-school, larger will be the Network. It will help you in many ways
- Infrastructure & Facilities: Good Ambience helps in Great learning
